Public Records Act Response: Number of filed cases in 2020.

This data was prepared in response to a Public Records Act Request. Accordingly its results reflect only **records which were responsive to that specific request**. These records contain data relating to **cases filed** by the District Attorney's Office in 2020.

The District Attorney's case management system was implemented in 2002 and cannot account for errors in data entry prior to that date which may have been imported into the new system.

Response:

There were 5200 criminal cases received by the Marin County District Attorney's office in 2020 which were filed. Please note that this number relates to cases referred to the Marin County District Attorney's Office for prosecution in 2020 which were subsequently filed as a new case or as a petition to revoke probation/supervision.
