

Notes on data collection:

This data reflects cases referred to the District Attorney's Office where an arrest (booking) occurred.

The Marin County District Attorney's Office does not ask the defendant for their race; this information is tracked as provided in the police report. 'Null' represents no race information was provided to the DA.

The District Attorney's case management system was implemented in 2002. Any data errors created in the prior system may have been imported into the new system.

Notes on data collection:

This data reflects cases referred to the District Attorney's Office where an arrest (booking) occurred.

The Marin County District Attorney's Office does not ask the defendant for their race; this information is tracked as provided in the police report. 'Null' represents no race information was provided to the DA.

The District Attorney's case management system was implemented in 2002. Any data errors created in the prior system may have been imported into the new system.

Notes on data collection:

This data reflects cases referred to the District Attorney's Office where an arrest (booking) occurred.

The Marin County District Attorney's Office does not ask the defendant for their race; this information is tracked as provided in the police report. 'Null' represents no race information was provided to the DA.

The District Attorney's case management system was implemented in 2002. Any data errors created in the prior system may have been imported into the new system.

	White	11

Notes on data collection:

This data reflects cases referred to the District Attorney's Office where an arrest (booking) occurred.

The Marin County District Attorney's Office does not ask the defendant for their race; this information is tracked as provided in the police report. 'Null' represents no race information was provided to the DA.

The District Attorney's case management system was implemented in 2002. Any data errors created in the prior system may have been imported into the new system.
